

FOR IMMEDIATE RELEASE
July, 2009

Wyco Tool General Manager is recognized by Wisconsin Governor

Dominic Cariello, Wyco Tool's General Manager, was recently acknowledged for his promotion to the rank of brigadier general in the Wisconsin National Guard. Wisconsin Governor Jim Doyle pinned Brigadier General Cariello at a special ceremony in Madison, Wisconsin on June 19th, 2009. He has served in the military for over 28 years, starting as a Tank Armor Crewman and now assigned as the Assistant Adjutant General for Army for training and mobilizing. Dominic served 14 months in Afghanistan in 2006 as well as led a task force in New Orleans after Hurricane Katrina. "We supported the people of New Orleans doing rescue and recovery ops and food and logistics," he said. Dominic also spoke of his time in Afghanistan, "What we did made a difference. We trained an army. We mentored and trained them in combat ops and security ops." Wyco Tool is proud to have such a highly accomplished military person represent our organization.

Wyco Tool is a leading manufacturer of internal concrete vibration products, including handheld electric and portable gas-powered vibrators as well as hydraulic vibrators for paving machines. These products feature the patented Square Head[™] vibrator head design for faster compaction, available in multiple diameters.

Racine Federated is a privately held manufacturer of flow meters and internal concrete vibrators based in Racine, Wisconsin, USA. Products are sold under the following trade names: Blancett[®], Dynasonics[®], Flo-tech[™], Hedland[®], Preso[®], Racine[™] and Wyco[®]. For further information, see individual web site links at www.racinefed.com and www.wycotool.com for specific Wyco information.
